National Park Service  
Katmai National Park and Preserve

#### **Proposal to Operate Guided Sport Fishing with Associated Boat Storage at American Creek**

### PROPOSAL SUBMISSION TERMS & CONDITIONS

- 1) The Offeror's Transmittal Letter set forth below indicates your acceptance of the terms and conditions of the concession opportunity as set forth in this Prospectus. It indicates your intention to comply with the terms and conditions of the Contract. **The letter, submitted without alteration, must bear original signatures and be included in the Offeror's Proposal Package.** The National Park Service (Service) will review the entire Proposal Package to determine whether your proposal in fact accepts without condition the terms and conditions of this Prospectus. If not, your proposal may be considered non-responsive, even though you submitted an unconditional Offeror's Transmittal Letter.
- 2) The Proposal Package is drafted upon the assumption that an Offeror is the same legal entity that will execute the new concession Contract as the Concessioner. If the entity that is to be the Concessioner is not in existence as of the time of submission of a proposal, the proposal must demonstrate that the individual(s) or organization(s) (hereinafter Offeror-Guarantor) that intends to establish the entity that will become the Concessioner has the ability and is legally obliged to cause the entity to be financially and managerially capable of carrying out the terms of the Contract. In addition, the Offeror-Guarantor must unconditionally state and guarantee in its proposal that the Offeror-Guarantor will provide the Concessioner with all funding, management, and other resources that the Draft Contract requires and the proposal offers.

## SELECTION FACTORS

### Response Format

- Please number each page and section in your completed proposal. Add information to your proposal only to the extent that it is necessary and relevant to respond to the factor. Each page should have a heading identifying the selection factor and subfactor to which the information contained on the page responds. It is important that your response stays within the organizational framework in the Proposal Package and provides all relevant information directly in response to each selection factor. The Service may but is not required to consider relevant information contained elsewhere in a proposal in assessing the proposal's response to each particular selection factor.
- Where page limits are set out in the Proposal Package, the Service will not review or consider the information on any pages that exceed the page limitations stated, including attachments, appendices, or other additional materials the Offeror submits. The Service would like to see clear and concise answers. A longer answer will not necessarily be considered a better answer.
- The Service considers text on two sides of one sheet of paper as two pages.
- Offerors must use normal sized font, such as 10, 11, or 12 point, and 1 inch margins on all sides, in the body of the proposal. This standard also applies to all tables, charts, graphs, and provided forms. The Service will accept images of sample material using less than normal sized font.
- The evaluation panel will only take firm commitments into account when evaluating proposals. Responses that include terms such as "look into," "research," "may," "if feasible," and similar terms are not considered as firm commitments. In addition, the Service considers responses that include a specific time for commitment implementation as a stronger response. For example, "XXX commits to provide recycle containers in each lodging room by December of 2017."

**PRINCIPAL SELECTION FACTOR 1.**  
**THE RESPONSIVENESS OF THE PROPOSAL TO THE OBJECTIVES, AS DESCRIBED IN**  
**THE PROSPECTUS, OF PROTECTING, CONSERVING, AND PRESERVING RESOURCES**  
**OF THE PARK.**  
**(0 - 5 POINTS)**

**Note to Offeror:**

*NPS objectives under this Prospectus for protecting, conserving, and preserving the resources of Katmai National Park and Preserve (the Area) are:*

2. Preserving the natural environment, including vegetation, soil and water quality, of the Area.

**Subfactor 1(a): Wildlife protection**

**Using no more than two (2) pages**, including all text, pictures, graphics, etc., describe the following items:

- The best practices that you will employ to conduct catch and release sport fishing; and the methods you will use to implement these practices.
- Describe how your operation will minimize the potential for direct human-wildlife interactions and which exceed the minimum requirements in the operating plan and Area compendium. Including the following:
  - Describe how you will communicate proper behavior in bear country to your clients in your client orientation, and how you will encourage and practice the same behaviors throughout client trips.
  - Describe how food will be transported and stored, and the disposal procedures for food and other waste (as they relate to wildlife interactions). Do not provide menus.

**Subfactor 1(b): Protection of the natural environment**

**Using no more than three (3) pages**, including all text, pictures, graphics, etc., describe the following items:

**Note to Offeror:**

*NPS objectives under this Prospectus for necessary and appropriate visitor services at reasonable rates are:*

1. Visitor services will be provided in a safe manner and appropriate emergency procedures will be established and in place prior to, and during, field operations.
2. A quality sport fishing experience will be provided.

The Service ensures the concessioner's rates and charges to the public are commensurate with the level of service provided and are reasonable, justified, and comparable with similar services

provided by the private sector. The service judges the reasonableness of rates based upon current concession management guidelines.

**Subfactor 2(a): Visitor services will be provided in a safe manner and appropriate emergency procedures will be established and in place prior to, and during, field operations.**

**PRINCIPAL SELECTION FACTOR 3.**

**THE EXPERIENCE AND RELATED BACKGROUND OF THE OFFEROR, INCLUDING THE PAST PERFORMANCE AND EXPERTISE OF THE OFFEROR IN PROVIDING THE SAME OR SIMILAR VISITOR SERVICES AS THOSE TO BE PROVIDED UNDER THE CONCESSION CONTRACT.**

**(0-5 POINTS)**

**Note to Offeror:**

*To assist in the evaluation of proposals under this and other selection factors, provide the following information regarding the organizational structure of the business entity that will execute the Draft Contract. Your response should address how you propose to conduct operations under the terms and conditions of the Draft Contract.

### **Subfactor 3(b): Experience with Operations Similar to those in the Draft Contract**

The Service is particularly interested in your experience with operations that have a scope of services similar to those offered under the Draft Contract.

**Using no more than five (5) pages**, including all text, pictures, graphs, etc., demonstrate your background and experience in providing services similar to those required in the Draft Contract by providing examples that includes the following:

The Service is aware that any business may receive the occasional notice of violation, penalty, fine, less than satisfactory public health rating, or similar regulatory notice from a federal, state, or local agency (hereinafter collectively referred to as "Infractions"). The Service is interested in understanding how your business manages these Infractions.

In responding to this subfactor, you need to consider the Offeror and all of its principals (for corporations, their executive officers, Directors, and controlling shareholders; for partnerships, their general partners; for limited liability companies, their managing members and managers, if any; and for joint ventures, each venturer) and all parent entities, subsidiaries or related entities under the primary organizational entity (such as, a parent corporation and all subsidiaries), collectively referred to as "Related Entities," that **provide the same or similar services as required or authorized by the Draft Contract**, whether as a principal or employee of Offeror or otherwise.

For each Offeror or Offeror-Guarantor, and their respective Related Entities, provide the following:

  - c) When the Infraction was issued
  - d) How the Related Entity addressed the Infraction
  - e) How the Related Entity ensured the problem was minimized or would not recur
- 2) Describe the Related Entities you considered and explain if you excluded other Related Entities, and, if so, why.
- 3) Disclose the federal, state, and local regulatory agencies you considered in responding to this subfactor.

Describe the information in lines 8, 13, 15, 20 & 23 below:		

- 3) Provide a CURRENT (within the last six months) and complete **Business Credit Report with a Credit Score** in the name of the Offeror from a major credit reporting company such as Equifax, Experian, TRW or Dun & Bradstreet. If the credit report includes negative information, provide a narrative explanation.

**Notes to Offeror and/or Offeror-Guarantor:**

If you cannot obtain a Business Credit Report, submit Personal Credit Reports for each Offeror. For partnerships, submit a personal Credit Report for each general partner. Corporations must submit a Business Credit Report.

In the event the Offeror is not yet in existence, submit credit reports for each Offeror-Guarantor. Submit a Business Credit Report if the Offeror-Guarantor is a business entity. Submit a Personal Credit Report if the Offeror-Guarantor(s) is an individual.

**Subfactor 4(b). Demonstrate your proposal is financially viable and that you understand the financial obligations of the Draft Contract by providing the following:**

**1) Personal Property**

Using **Table 5** below, list all currently owned personal property with monetary value equal to or exceeding \$2,000 that you will use for **your operations inside of the Area** and provide an estimate of its current value. Unlike Subfactor 4a, do not include any personal property for your operations outside of the Park.

Using **Table 5** below, list all of the personal property with monetary value equal to or exceeding \$5,000 that you will intend to acquire to use for this.

**Table 5: Personal Property to be used in the Draft Contract**

## 2) Start-Up Costs

Estimate the start-up costs needed to begin operating the business (within the Area only) and use those estimates to complete the **Table 6** below. **Only provide estimates for those items you need to acquire in order to begin operating. Do not include costs for items you already own.** For working capital (cash), estimate the amount of cash you will need to have available after purchasing the other items (describe) in order to begin operating the business. For example, working capital would include salaries and rent you will pay before you generate income from the operations in the Park.

The total "Value of Personal Property Investment that will be Acquired Prior to Operation" that you listed in the previous table should be equal to the amount you list for Personal Property in this table.

## 3) Operating Projections

- a) Based on the condition of your personal property provided or purchased for the operation, attach a list of items using **Table 7**, that you will need to replace during the term of the Draft Contract. Include the anticipated year for the expenditure, the quantity of item(s) to be replaced, the description of the item(s), the approximate total value of the replacement, and how you plan to pay for the personal property replacement. (For example, cash, bank loan etc.).

If your projected expenditures for personal property investments exceeds \$10,000, provide an explanation of how you will fund the investment.

If you will not need to replace personal property during the term of the Draft Contract, explain your reasoning.

Add or remove rows for years as needed in **Table 7**.

- b)** Demonstrate that your proposal is financially feasible and that you will have a reasonable opportunity to make a profit from your business while carrying out the terms and conditions of the Draft Contract by completing the following Prospective Income Statement, **Table 8**.
- Estimate the amount of income and expenses for the proposed operation for the first year of operation. We included blank lines on the prospective income statement for your estimates for expense categories we did not list. Describe those categories on the blank lines.
  - Include only revenues and expenses related to the services required and authorized by the Draft Contract inside the Area. Do not include other services you may provide outside the Area.

Fully explain the assumptions on which you base your projections and provide sufficient details so we fully understand your assumptions. Provide revenue estimates by

department, if applicable. If the projections show significantly increased revenues from the projections provided in the prospectus, provide a full explanation of the changes.

**Note to Offeror:** If you are not familiar with making these types of projections, you should consult an accountant or business advisor.

***Additional Instructions for completing the Prospective Income Statement on the next page:***

- Line 1: If applicable, show revenues by departments (separate revenue activities- e.g., guide services, gift sales, snack bar revenue, etc.).
- Line 8a: Administrative and General includes the costs of managing the business and may include items such as: credit card commissions; legal and accounting fees; travel; meals and entertainment; postage and printing; professional training; telecommunications expenses; etc.
- Line 10a: Insurance: As required in Exhibit D of the Draft Contract

2) **Debt financing-** If you will obtain funds for the start-up costs from a loan made to you by:

- **A lending institution (bank, savings and loan, etc.)** provide supporting documentation that describe the loan and, at a minimum, include the following in a letter from the lender, addressed to the National Park Service, and on the institution's letterhead.

**Note to Offerors:** The Service uses this information to verify that funds actually exist and will be available when you need them.

**PRINCIPAL SELECTION FACTOR 5.  
THE AMOUNT OF THE PROPOSED MINIMUM FRANCHISE FEE AND OTHER FORMS OF  
FINANCIAL CONSIDERATION TO THE DIRECTOR.  
(0 - 4 POINTS)**

The minimum franchise fee acceptable to the Service is **three percent (3%)** of annual gross receipts or a flat fee of \$1,000, whichever is higher.

The offer of a higher franchise fee than this minimum is generally beneficial to the Service and accordingly will generally result in a higher score under this selection factor. However, consideration of revenue to the United States is subordinate to the objectives of protecting, conserving, and preserving resources of the Area and of providing necessary and appropriate visitor services to the public at reasonable rates.

State the amount of franchise fee you propose. Such fee must at least equal the minimum franchise fee set forth above. Express this fee as a percentage of annual gross receipts. Do not propose a tiered franchise fee, e.g., 5% on the first \$10,000 of gross receipts, 6% on gross receipts between \$10,001 and \$25,000, 7% on gross receipts between \$25,001 and above.

\_\_\_\_\_ **percent (%) of Gross Receipts or \$1,000, whichever is higher**
